Router Table

Stationary Tools · https://thejoinery.club/docs/router-table/

Safety

Unplug before doing any setup

2 Control Surfaces - Table and Fence or Pin.

Keep hands 3” away from the Guard and or Bit

Nothing shorter than 12”

Usage

Main Router bits are storage in the Tool Cabinet. Wrenches should be kept on the table. No dust collection is provided at this time.

This table is equipped with a router lift system. Changing of the bits can be done above the table. Use the dial gauge to set the hight.

This table has a fence and guard or can use a table pin.
