Shop Air Conditioning

Facilities · https://thejoinery.club/docs/shop-air-conditioning/

Shop Heating

Shop Heating is on setback thermostates. They are set to the following:

7 AM-8PM Daily 65 Degrees

8 PM - 7 AM Daily - 55 Degrees

Shop Air Conditioning

The Shop Air conditioning is set on a schedule and should not need adjusting. During the hottest days of summer, it is very difficult for the system to keep up. Please make sure that the fans are on and running. The fan switch is the center rotary switch.

Shop Air Conditioning Settings are as follows:

7 AM - 8 PM Daily - 75 Degrees

8 PM - 7 AM - 80 Degrees

Fan Switch

Office Setting

The office is on automated control and should not need adjusting.
